## OSHA 10 Hour- General Industry Course

The OSHA 10 Hour is encouraged because of the wealth of overall general knowledge it provides to participants.

This training is designed to bring awareness on the "recognition, avoidance, abatement, and prevention of workplace hazards.

OSHA recommends Training Program courses as an orientation to occupational safety and health workers covered by OSHA 29 CFR 1910. This course is accepted by the OSHA Training Institute.

### Who Should Attend:

- Workers taking this course have jobs related to health care, electrical, factory, warehouse, manufacturing, storage and more.

### Benefits:

- Develop a safety mindset and learn valuable skills for their future
- Know their worker rights, employer responsibilities, and how to file a complaint
- Receive a wallet card from the OSHA Training Institute (OTI) that demonstrates to employers that they have received safety training needed in the workplace
- Become more employable, gaining a competitive advantage in the job market

### What You Get:

- Official OSHA 10 Hour Card
- Certificate of attendance

### Training details:
